

LETTER OF INTERNSHIP OFFER

To, [Student Name]

[University / Institute Name]

[Student Department / Roll Number]

Dear **[Student Name]**,

We are very pleased to offer you an official placement in the virtual technical training and research program at the International Journal of Global Academic Research (IJGAR). This selection has been approved based on your academic profile, compliance and previous review rounds.

During this tenure, you will work closely with advanced research methodologies, institutional datasets, and comprehensive case studies designed to build industry-ready analytical competence. This program is structured to provide deep corporate exposure and enhance your core domain expertise.

Assigned Work Profile

Research Analyst

Commencement Date

Immediate Activation

Program Duration

DD/MM/YYYY – DD/MM/YYYY

Location/Mode

Remote / Virtual Workspace

Upon successful completion of all milestones, you will be issued an official Hard & Soft Copy Internship Certificate, permanently traceable on our global verification ledger.

We welcome you to our global research team and wish you a highly productive learning experience.

Authorized Signatory

Director of Operations
